## The Town & Marina

Created in partnership with world-renowned architects, hoteliers, businesses and service providers, El Gouna has evolved as a breathtaking holiday paradise and cohesive community.

Carefully designed along a 10km stretch of pristine Red Sea beach front, El Gouna is comprised of a series of islands inlets and lagoons cleverly interlinked to form a beautiful marina village with superlative accommodation and leisure features, facilities and amenities.

Conveniently located 22kms from Hurghada International Airport, El Gouna is easily accessible by air and only a short flight away from most European capitals.

## Natural Environment

The area's desert islands and secluded sandy beaches are a true paradise. You can spend all your holiday on El Gouna's beaches and never stay at the same one twice! Have refreshments delivered directly to your sun lounger, or pack provisions and head for your own private party at one of the many deserted islands, you will not be disappointed.

El Gouna has been officially recognized as Egypt's most environmental friendly holiday destination. Awarded four out of eight Green Globe certificates, El Gouna works to maintain, preserve and protect its unique environment in cooperation with local hotels, businesses, residents and visitors.

## Hotels and Facilities

El Gouna is home to 14 hotels ranging from comfortable, intimate inns to lavish 5 star beachfront resorts. Each hotel is uniquely designed and created to offer exceptional service and endless accommodation options catering to all tastes, needs and budgets.

El Gouna has several hotels with the internal capacity to provide excellent conferences and catering services that meet the highest global standards of quality and convenience. Add to that El Gouna's beautiful location and it becomes the perfect choice for business conferences and motivational events.
